PART II – RULE 12b-25(b) AND (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate.)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- (b) The subject Form 10-Q will be filed on or before the fifth business day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III – NARRATIVE

State below in reasonable detail the reasons why the Form 10-Q could not be filed within the prescribed time period.

Prior to the date hereof the Company has been unable to complete and file Quarterly Reports on Form 10-Q for the periods ended March 31, 2006, June 30, 2006 and September 30, 2006, as well as its Annual Report on Form 10-K for the twelve months ended December 31, 2006 (the "2006 Reports"). Filing of the 2006 Reports was delayed due to issues and uncertainties arising from a civil investigation of the Company's JDL Technologies subsidiary being conducted by the U.S. Department of Justice ("DOJ") and accounting and internal control issues related to and within JDL Technologies. The Company today filed the 2006 Reports. Further information regarding the JDL related issues that delayed the filing of the 2006 Reports is presented under Item 1(c)1(iii) and under Item 9A of the Company's Report on Form 10-K for the twelve months ended December 31, 2006, which information is incorporated herein by reference.

Prior to the date hereof the Company has been unable to address the preparation and filing of its Quarterly Report on Form 10-Q for the period ended March 31, 2007 without unreasonable effort and expense until it resolved JDL related accounting and internal control issues that delayed the filing of the 2006 Reports. Because it has only recently resolved such accounting and internal control issues, the filing of its Form 10-Q Report the period ended March 31, 2007 will be delayed approximately three weeks.
