Item 5.07. Submission of Matters to a Vote of Security Holders.

On November 4, 2024, the Company held a Special Meeting of Shareholders (the “Special Meeting”). At the Special Meeting, the Company’s shareholders voted on the three proposals described below. The proposals presented at the Special Meeting are described in detail in the Definitive Proxy Statement filed with the Securities and Exchange Commission on October 10, 2024.

Of the 24,012,312 shares of Common Stock outstanding and entitled to vote, including the portion of the shares of Series C Preferred Stock voting on an as converted basis (subject to certain limitations), at the Special Meeting, 12,360,601, or 51.47%, of the outstanding and eligible shares, were present either in person or by proxy. Holders of Common Stock voted one vote per share on all matters properly brought before the Special Meeting. The holder of the Series C Preferred Stock voted one vote per share on an as converted basis with the Common Stock for only the Redomestication Proposal. The Series C Preferred Stock was not entitled to vote on any other matters. Holders of record of shares of Common Stock and the Series C Preferred Stock voted on the Redomestication Proposal as a single class.

Therefore, a total of (i) 24,012,312 votes were entitled to be cast at the meeting with respect to the Redomestication Proposal, (ii) 15,488,161 votes were entitled to be cast at the meeting with respect to the Name Change Proposal and the Adjournment Proposal.

The results for each of the proposals submitted to a vote of shareholders at the Special Meeting are as follows:

Proposal 1: Redomestication Proposal

The Company’s shareholders approved the change of the state of incorporation from Minnesota to Delaware. The voting with respect to the Redomestication Proposal was as follows:

For	Against	Abstain
6,174,516	145,875	13,023

Proposal 3: Adjournment Proposal

The Company's shareholders approved the one or more adjournments of the Special Meeting to a later date or dates to solicit additional proxies if there are insufficient votes to approve any of the proposals at the time of the Special Meeting. The voting with respect to the Adjournment Proposal was as follows; however, since a quorum was present for the transaction of business and there were sufficient shares voted to approve Proposals 1 and 2, no adjournment vote was sought and Proposal 3 was not moved forward.

For	Against	Abstain
6,049,016	212,399	71,999
