Item 1.01. Entry Into a Material Definitive Agreement.

ATM Offering

On August 18, 2025, SUNation Energy, Inc. (“SUNation” or the “Company”) entered into a Sales Agreement (the “Sales Agreement”) with Needham & Company, LLC (“Needham” or the “Sales Agent”). Pursuant to the Sales Agreement, the Sales Agent will act as the Company’s agent with respect to an offering and sale, at any time and from time to time, of the Company’s common stock, par value per share \$.05 (the “Shares”). The Company has authorized the sale, at its discretion, of Shares in an aggregate offering amount up to \$30,000,000 under the Sales Agreement. Sales of the Shares, if any, will solely be made in “at the market offerings” as defined in Rule 415 under the Securities Act of 1933, as amended (the “Securities Act”). The Sales Agent will use commercially reasonable efforts consistent with normal trading and sales practices.

The offer and sale of the Shares will be made pursuant to the Company’s shelf registration statement on Form S-3, which was filed with the Securities and Exchange Commission (“SEC”) and declared effective on April 29, 2025 (File No. 333-286663, the “Registration Statement”), and a related prospectus, as supplemented by a prospectus supplement pursuant to Rule 424(b) under the Securities Act. We will not make any offers or sales of Shares or any other securities registered thereunder unless and until the Registration Statement is declared and maintained as effective by the SEC. We are not obligated to make any sales of Shares under the Sales Agreement and no assurance can be given that we will sell any Shares under the Sales Agreement, or, if we do, as to the price or amount of Shares that we will sell, or the dates on which any such sales will take place.

The Company or the Sales Agent, under certain circumstances and upon notice to the other, may suspend the offering of the Shares under the Sales Agreement. The offering of the Shares pursuant to the Sales Agreement will terminate upon the sale of Shares in an aggregate offering amount equal to \$30,000,000, or sooner if either the Company or the Sales Agent terminates the Sales Agreement.

The Company will pay the Sales Agent a cash commission in an amount up to 3.0% of the gross proceeds from each sale of Shares sold pursuant to the Sales Agreement, and will reimburse the Sales Agent for the documented fees and costs of its legal counsel reasonably incurred in connection with entering into the transactions contemplated by the Sales Agreement in an amount not to exceed \$100,000 in the aggregate.

The Company made certain customary representations, warranties and covenants in the Sales Agreement concerning the Company and its subsidiaries and the Registration Statement, prospectus, Prospectus Supplement and other documents and filings relating to the offering of the Shares. In addition, the Company has agreed to indemnify the Sales Agent against certain liabilities, including liabilities under the Securities Act.

The foregoing description of the Sales Agreement is not complete and is, therefore, qualified in its entirety by reference to the Sales Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. The Shares to be sold under the Sales Agreement, if any, will be issued and sold pursuant to the Company’s Registration Statement, and a Prospectus Supplement related thereto.

The legal opinion of Rimon P.C., Company counsel, relating to the legality of the issuance and sale of the Shares, is attached as Exhibit 5.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 1.02. Termination of Material Definitive Agreement.

On August 11, 2025, the Company delivered written notice to Roth Capital Partners, LLC (“Roth”) that the Company was terminating the At Market Offering Agreement, dated October 21, 2024, by and between the Company and Roth (the "Previous ATM Agreement"), in accordance with its terms. The “at-the-market” offering of Shares with Roth was offered and pursuant to Form S-3 (File No. 333-267066), and the prospectus supplement related thereto, having an aggregate sale price of up to \$10,000,000. The Company terminated the Previous ATM Agreement prior to entry into the Sales Agreement.

This Current Report on Form 8-K, including the exhibits filed herewith, shall not constitute an offer to sell or the solicitation of an offer to buy the securities discussed herein, nor shall there be any offer, solicitation or sale of the securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state.

Item 2.02. Results of Operations and Financial Condition.

On May 15, 2025, SUNation Energy, Inc. (the “Company”) issued a press release (the “Press Release”) announcing financial results for the Company for the quarter ended June 30, 2025. A copy of the Press Release is furnished as Exhibit 99.1 to this current report.

NEEDHAM & COMPANY, LLC
 250 Park Avenue
 New York, New York 10177

Ladies and Gentlemen:

SUNation Energy, Inc., a Delaware corporation (the “Company”), confirms as follows its agreements with Needham & Company, LLC (the “Sales Agent”).

1. Issuance and Sale of Shares.

(a) On the basis of the representations, warranties and agreements of the Company herein contained and subject to all the terms and conditions of this Sales Agreement (the “Agreement”), the Company agrees that, from time to time during the term of this Agreement, it may issue and sell through the Sales Agent up to an aggregate of \$30,000,000 of shares of common stock (the “Placement Shares”) of the Company, par value \$0.05 per share (the “Common Stock”); *provided, however*, that in no event shall the Company issue or sell through the Sales Agent such number or dollar amount of Placement Shares that would (i) exceed the number or dollar amount of shares of Common Stock registered on the effective Registration Statement (as defined below) pursuant to which the offering is being made, (ii) exceed the number of authorized but unissued shares of Common Stock (less shares of Common Stock issuable upon exercise, conversion or exchange of any outstanding securities of the Company or otherwise reserved from the Company’s authorized capital stock), (iii) exceed the number or dollar amount of shares of Common Stock permitted to be sold by the Company under Form S-3 (including General Instruction I.B.6. thereof, if applicable) or (iv) exceed the number or dollar amount of shares of Common Stock for which the Company has filed a Prospectus Supplement (as defined below) (the lesser of clauses (i), (ii), (iii) and (iv), the “Maximum Amount”). Notwithstanding anything to the contrary contained herein, the parties hereto agree that compliance with the limitations set forth in this Section 1 on the number or dollar amount of Placement Shares that may be issued and sold under this Agreement shall be the sole responsibility of the Company and the Sales Agent shall have no obligation in connection with such compliance. The issuance and sale of Placement Shares through the Sales Agent will be effected pursuant to the Registration Statement filed by the Company with the Securities and Exchange Commission (the “Commission”) on April 22, 2025 and declared effective by the Commission on April 29, 2025, although nothing in this Agreement shall be construed as requiring the Company to issue shares of Common Stock.

(b) The Company has filed, in accordance with the provisions of the Securities Act of 1933 (the “Act”), and the rules and regulations of the Commission thereunder (collectively referred to as the “Rules and Regulations”), with the Commission a registration statement on Form S-3 (File No. 333-267066), including a base prospectus and together with such amendments thereto as may have been required to the date of this Agreement, relating to the Common Stock to be issued from time to time by the Company, and which incorporates by reference documents that the Company has filed or will file in accordance with the provisions of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Commission thereunder (collectively, the “Exchange Act Rules and Regulations”). The Company has prepared a prospectus supplement to the base prospectus included as part of the registration statement, which prospectus supplement relates to the Placement Shares to be issued from time to time by the Company pursuant to this Agreement (the “Prospectus Supplement”). The Company will furnish to the Sales Agent, for use by the Sales Agent, copies of the base prospectus included as part of such registration statement, as supplemented by the Prospectus Supplement. The Company may file one or more additional registration statements from time to time that will contain a base prospectus and a related prospectus supplement, if applicable (which shall be a Prospectus Supplement), with respect to the Placement Shares. Except where the context otherwise requires, any such registration statement, including the amendments thereto, the exhibits and any schedules thereto, the documents otherwise deemed to be part thereof, included or incorporated by reference therein, and including any information contained in a Prospectus (as defined below) subsequently filed with the Commission pursuant to Rule 424(b) of the Rules and Regulations (“Rule 424(b)”) or deemed to be a part of such registration statement pursuant to the Rules and Regulations (including Rule 430B thereof), and any registration statement relating to the offering contemplated by this Agreement and filed pursuant to Rule 462(b) of the Rules and Regulations (“Rule 462(b)”) is herein called the “Registration Statement.” The base prospectus or base prospectuses, including all documents incorporated by reference therein, included in the Registration Statement, as it may be supplemented, if applicable, by the Prospectus Supplement, in the form in which such prospectus or prospectuses and/or Prospectus Supplement have most recently been filed by the Company with the Commission pursuant to Rule 424(b), together with any then-issued Issuer Free Writing Prospectuses (as defined below), is herein called the “Prospectus.”

(c) Any reference herein to the Registration Statement, any base prospectus, any Prospectus Supplement, the Prospectus or any Issuer Free Writing Prospectus shall be deemed to refer to and include the documents, if any, that are or are deemed to be incorporated by reference therein or from which information is so incorporated by reference (the "Incorporated Documents"), including, unless the context otherwise requires, the documents, if any, filed as exhibits to such Incorporated Documents. Any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement, any base prospectus, any Prospectus Supplement, the Prospectus or any Issuer Free Writing Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act on or after the most recent effective date of the Registration Statement, or the respective dates of the base prospectus, such Prospectus Supplement, the Prospectus or such Issuer Free Writing Prospectus, as the case may be, and deemed to be incorporated by reference therein. For purposes of this Agreement, all references to the Registration Statement, the Prospectus or any amendment or supplement thereto shall be deemed to include the most recent copy filed with the Commission pursuant to its Electronic Data Gathering Analysis and Retrieval system or, if applicable, the Interactive Data Electronic Application system when used by the Commission (collectively, "EDGAR").

2. *Placements.* Each time that the Company wishes to issue and sell Placement Shares hereunder (each, a "Placement"), it will notify the Sales Agent by email notice (or other method mutually agreed to by the parties) (each such notice, a "Placement Notice") containing the parameters in accordance with which the Company desires such Placement Shares to be sold, which at a minimum shall include the maximum number or dollar amount of Placement Shares to be sold, the time period during which sales are requested to be made, any limitation on the number or amount of Placement Shares that may be sold in any day on which the Common Stock is traded on the Exchange (any such day, a "Trading Day") and any minimum price below which sales may not be made, the form of which is attached hereto as Schedule 1. The Placement Notice shall originate from any of the individuals from the Company set forth on Schedule 3 (with a copy to each of the other individuals from the Company listed on such Schedule 3), and shall be addressed to each of the individuals from the Sales Agent set forth on Schedule 3, as such Schedule 3 may be amended from time to time. The Placement Notice shall be effective upon receipt by the Sales Agent unless and until (a) the Sales Agent declines in writing (which writing may be via email) to accept the terms contained therein for any reason, in its sole discretion, (b) the Sales Agent suspends sales under the Placement Notice for any reason in its sole discretion in accordance with this Agreement, (c) the entire number or amount of the Placement Shares thereunder or under this Agreement have been sold, (d) the Company amends, supersedes, suspends or terminates the Placement Notice or (e) this Agreement has been terminated under the provisions of Section 11. The amount of any discount, commission or other compensation to be paid by the Company to the Sales Agent in connection with the sale of the Placement Shares shall be calculated in accordance with the terms set forth in Schedule 2. It is expressly acknowledged and agreed that neither the Company nor the Sales Agent will have any obligation whatsoever with respect to a Placement or any Placement Shares unless and until the Company delivers a Placement Notice to the Sales Agent and the Sales Agent does not decline (and the Company does not suspend or terminate) such Placement Notice pursuant to the terms set forth above, and then only upon the terms specified therein and herein. In the event of a conflict between the terms of this Agreement and the terms of a Placement Notice, the terms of the Placement Notice will control with respect to the matters covered thereby.

3. *Sale of Placement Shares by the Sales Agent.* On the basis of the representations, warranties and agreements of the Company herein contained and subject to all the terms and conditions of this Agreement, upon the Sales Agent's acceptance of the terms of a Placement Notice, and unless the sale of the Placement Shares described therein has been declined, suspended or otherwise terminated in accordance with the terms of this Agreement, the Sales Agent, for the period specified in the Placement Notice, will use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable laws and regulations and the rules of the Nasdaq Capital Market (the "Exchange") to sell such Placement Shares up to the number or amount specified in, and otherwise in accordance with the terms of, such Placement Notice. The Sales Agent will provide written confirmation to the Company no later than the opening of the Trading Day immediately following the Trading Day on which it has made sales of Placement Shares hereunder setting forth the number or amount of Placement Shares sold on such Trading Day, the average price at which Placement Shares were sold and the gross proceeds generated from such sales. Subject to the terms of the Placement Notice, the Sales Agent may sell Placement Shares by any method permitted by law deemed to be an "at the market offering" as defined in Rule 415(a)(4) of the Rules and Regulations, including sales made directly on or through the Exchange or any other existing trading market for the Common Stock, in negotiated transactions at market prices prevailing at the time of sale or at prices related to such prevailing market prices and/or any other method permitted by law. The Company acknowledges and agrees that (a) there can be no assurance that the Sales Agent will be successful in selling Placement Shares, (b) the Sales Agent will incur no liability or obligation to the Company or any other person or entity if it does not sell Placement Shares for any reason other than a failure by the Sales Agent to use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable laws and regulations to sell such Placement Shares as required under this Agreement and (c) the Sales Agent shall be under no obligation to purchase Placement Shares on a principal basis pursuant to this Agreement, except as otherwise agreed by the Sales Agent and the Company in a separate written agreement setting forth the terms of such sale.

4. Suspension of Sales.

(a) The Company or the Sales Agent may, upon notice to the other party in writing (including by email correspondence to each of the individuals of the other party set forth on Schedule 3, if receipt of such correspondence is actually acknowledged by any of the individuals to whom the notice is sent, other than automatic reply) or by telephone (confirmed immediately by verifiable facsimile transmission or email correspondence to each of the individuals of the other party set forth on Schedule 3), suspend any sale of Placement Shares (each, a “Suspension”); *provided, however*, that such Suspension shall not affect or impair any party’s obligations with respect to any Placement Shares sold hereunder prior to the receipt of such notice. While a Suspension is in effect, any obligation under Sections 7(s), 7(t), and 7(u) with respect to the delivery of certificates, opinions and comfort letters to the Sales Agent, shall be waived. Each of the parties agrees that no notice under this Section 4 shall be effective against the other party unless notice is sent by one of the individuals named on Schedule 3 hereto to one of the individuals named on Schedule 3 hereto, as such Schedule may be amended from time to time.

(b) Notwithstanding any other provision of this Agreement, during any period in which the Company is, or may be deemed to be, in possession of material non-public information, the Company and the Sales Agent agree that (i) no sale of Placement Shares will take place, (ii) the Company shall not request the sale of any Placement Shares and shall cancel any effective Placement Notices instructing the Sales Agent to make any sales and (iii) the Sales Agent shall not be obligated to sell or offer to sell any Placement Shares.

5. Settlement and Delivery.

(a) Unless otherwise specified in the applicable Placement Notice, settlement for sales of Placement Shares will occur on the first Trading Day (or such other day as is industry practice for regular-way trading) following the date on which such sales are made (each, a “Settlement Date”). The amount of proceeds to be delivered to the Company on a Settlement Date against receipt of the Placement Shares sold (the “Net Proceeds”) will be equal to the aggregate gross sales price received by the Sales Agent, after deduction of (i) the Sales Agent’s commission, discount or other compensation for such sales payable by the Company pursuant to Section 2 hereof, (ii) any other amounts due and payable by the Company to the Sales Agent pursuant to Section 7(i) of this Agreement and (iii) any transaction fees imposed by any governmental or self-regulatory organization in respect of such sales.

(b) On or before each Settlement Date, the Company will, or will cause its transfer agent to, electronically transfer the Placement Shares being sold by crediting the Sales Agent’s or its designee’s account (provided the Sales Agent shall have given the Company written notice of such designee at least one Trading Day prior to the Settlement Date) at The Depository Trust Company through its Deposit and Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto, which in all cases shall be duly authorized, freely tradeable, transferable, registered shares of Common Stock in good deliverable form. On each Settlement Date, the Sales Agent will deliver the related Net Proceeds in same day funds to an account designated by the Company on or prior to the Settlement Date. In addition to and in no way limiting the rights and obligations set forth in Section 9 hereto, the Company agrees that if the Company or its transfer agent (if applicable), defaults in its obligation to deliver duly authorized, freely tradeable, transferable, registered Placement Shares on a Settlement Date, the Company will (i) hold the Sales Agent harmless against any loss, claim, damage, or reasonable, documented out-of-pocket expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company or its transfer agent (if applicable), (ii) pay to the Sales Agent any commission, discount or other compensation to which it would otherwise have been entitled absent such default and (iii) take all necessary action to cause the full amount of any Net Proceeds that were delivered to the Company’s account with respect to such settlement, together with any costs incurred by the Sales Agent in connection with recovering such Net Proceeds, to be immediately returned to the Sales Agent no later than 5:00 p.m., New York City time, on such Settlement Date, by wire transfer of immediately available funds to an account designated by the Sales Agent.

(c) Certificates for the Placement Shares, if any, shall be in such denominations and registered in such names as the Sales Agent may request in writing one Business Day (as defined below) before the applicable Settlement Date. Certificates for the Placement Shares, if any, will be made available by the Company for examination and packaging by the Sales Agent in New York City not later than 12:00 p.m., New York City time, on the Business Day prior to the applicable Settlement Date.

(d) Under no circumstances shall the Company cause or request the offer or sale of any Placement Shares if, after giving effect to the sale of such Placement Shares, the aggregate number or gross sales proceeds of Placement Shares sold pursuant to this Agreement would exceed the lesser of (i) together with all sales of Placement Shares under this Agreement, the Maximum Amount, (ii) the amount available for offer and sale under the then-effective Registration Statement and (iii) the amount authorized from time to time to be issued and sold under this Agreement by the Company's board of directors or a duly authorized committee thereof, and notified to the Sales Agent in writing. Under no circumstances shall the Company cause or request the offer or sale of any Placement Shares pursuant to this Agreement at a price lower than the minimum price authorized from time to time by the Company's board of directors or a duly authorized committee thereof, and notified to the Sales Agent in writing. Notwithstanding anything to the contrary contained herein, the parties hereto acknowledge and agree that compliance with the limitations set forth in this Section 5(d) on the maximum number or dollar amount of Placement Shares that may be issued and sold under this Agreement from time to time shall be the sole responsibility of the Company, and the Sales Agent shall have no obligation in connection with such compliance.

Each Issuer Free Writing Prospectus, as of its issue date and as of each Applicable Time, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, including any document incorporated by reference therein that has not been superseded or modified.

As used in this subsection and elsewhere in this Agreement:

“Applicable Time” means (i) each Representation Date (as defined below), (ii) the time of each sale of any Placement Shares pursuant to this Agreement and (iii) each Settlement Date.

“Issuer Free Writing Prospectus” means any “issuer free writing prospectus,” as defined in Rule 433 of the Rules and Regulations (“Rule 433”), relating to the Placement Shares that (i) is required to be filed with the Commission by the Company or (ii) is exempt from filing pursuant to Rule 433(d)(5)(i), in each case, in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the Company’s records pursuant to Rule 433(g).

The foregoing representations and warranties in this Section 6(b) do not apply to any statements or omissions made in reliance on, and in conformity with, information relating to the Sales Agent furnished in writing to the Company by the Sales Agent specifically for inclusion in the Registration Statement, the Prospectus Supplement, the Prospectus or any Issuer Free Writing Prospectus, or any amendment or supplement thereto. The Company acknowledges that the statements set forth in the eighth paragraph under the caption “Plan of Distribution” in the Prospectus Supplement (the “Sales Agent Information”) constitute the only information relating to the Sales Agent furnished in writing to the Company by the Sales Agent specifically for inclusion in the Registration Statement, the Prospectus Supplement, the Prospectus and any Issuer Free Writing Prospectus.

(c) In connection with the offering of the Placement Shares, (i) at the times specified in Rule 164 and Rule 433 of the Rules and Regulations and (ii) as of the date hereof, the Company was not and is not an “ineligible issuer” (as defined in Rule 405 of the Rules and Regulations (“Rule 405”)), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an ineligible issuer.

(d) The Incorporated Documents, when they became or become effective or were or are filed with the Commission, as the case may be, complied or will comply in all material respects with the requirements of the Act and the Exchange Act, as applicable, and the Rules and Regulations and the Exchange Act Rules and Regulations, as applicable; and any further documents filed and incorporated by reference subsequent to the Effective Date shall, when they are filed with the Commission, comply in all material respects with the requirements of the Act and the Exchange Act, as applicable, and the Rules and Regulations and the Exchange Act Rules and Regulations, as applicable. Each Incorporated Document did not, and any further documents filed and incorporated by reference therein will not, when filed with the Commission, contain an untrue statement of a material fact or omit to state a material fact required to be stated in such document or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(e) The Company does not own, directly or indirectly, any shares of stock or any other equity or long-term debt securities of any corporation or have any equity interest in any corporation, firm, partnership, joint venture, association or other entity, other than the subsidiaries listed in Exhibit 21 to its most recent Annual Report on Form 10-K (collectively, the “Subsidiaries”). The Company and each of its Subsidiaries is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization. The Company and each of its Subsidiaries has full power and authority to conduct all the activities conducted by it, to own or lease all the assets owned or leased by it and to conduct its business as described in the Registration Statement and the Prospectus. The Company and each of its Subsidiaries is duly licensed or qualified to do business and in good standing as a foreign corporation or such other entity in all jurisdictions in which the nature of the activities conducted by it or the character of the assets owned or leased by it makes such license or qualification necessary, except to the extent that the failure to be so qualified or be in good standing could not, individually or in the aggregate, have a material adverse effect or could reasonably be expected to have a material adverse effect on the Company and its Subsidiaries, taken as a whole, or their respective assets, businesses, operations, earnings, properties, prospects, conditions (financial or other), stockholders’ equity or results of operations, or prevent or materially interfere with consummation of the transactions contemplated hereby (such effect is referred to herein as a “Material Adverse Effect”). All of the outstanding shares of capital stock of each Subsidiary have been duly authorized and validly issued, are fully paid and nonassessable and free of any preemptive or similar rights, and are wholly owned by the Company free and clear of all claims, liens, charges, security interests, rights of first refusal and encumbrances; there are no securities outstanding that are convertible into or exercisable or exchangeable for capital stock of any Subsidiary. The Company and its Subsidiaries are not engaged in any discussions or a party to any agreement or understanding, written or oral, regarding the acquisition of an interest in any corporation, firm, partnership, joint venture, association or other entity where such discussions, agreements or understandings would require disclosure in, or amendment to, the Registration Statement. Complete and correct copies of the Certificate of Incorporation and of the By-laws of the Company, each as amended, and the organizational documents of each of its Subsidiaries and all amendments thereto have been delivered to the Sales Agent and its counsel, or are available through EDGAR, and no changes therein will be made subsequent to the date hereof and prior to the termination of this Agreement without the Sales Agent’s prior written consent (which consent shall not be unreasonably withheld, conditioned or denied).

(f) The Company has authorized, issued and outstanding capital stock as set forth in its most recent Annual Report on Form 10-K as of the respective dates set forth therein (other than the grant of additional options under the Company’s existing stock option and/or equity incentive plans, or changes in the number of outstanding shares of Common Stock of the Company due to the issuance of shares upon the exercise or conversion of securities exercisable for, or convertible into, Common Stock outstanding on the date hereof) and such authorized capital stock conforms to the description thereof set forth in the Registration Statement and the Prospectus, and as further updated in its most recent quarterly report. All of the outstanding shares of capital stock of the Company have been duly authorized, validly issued, are fully paid and nonassessable, were issued in compliance with all applicable state and federal securities laws and are not subject to any preemptive rights, rights of first refusal or similar rights. The Placement Shares have been duly authorized and, when issued and delivered by the Company against payment therefor as contemplated hereby, will be validly issued, fully paid and nonassessable, free and clear of any pledge, lien, encumbrance, security interest or other claim, and will be registered pursuant to Section 12 of the Exchange Act; no preemptive rights, rights of first refusal or similar rights exist with respect to any of the Placement Shares or the issue and sale thereof. The description of the capital stock of the Company included or incorporated by reference in the Registration Statement, the Prospectus Supplement and the Prospectus is complete and accurate in all material respects. The Placement Shares, when issued, will conform to the description thereof set forth in or incorporated into the Prospectus. Except as set forth in the Prospectus Supplement and the Prospectus, or incorporated by reference therein, the Company does not have outstanding and will not have outstanding any options to purchase, or any rights or warrants to subscribe for, or any other securities or obligations convertible into, or any other contracts or commitments to issue or sell, any shares of capital stock, or any such warrants, convertible securities or obligations. The certificates evidencing the Placement Shares, if any, are in due and proper legal form and have been duly authorized for issuance by the Company. The issuance and sale of the Placement Shares as contemplated hereby will not cause any holder of any share capital, securities convertible into or exchangeable or exercisable for share capital or options, warrants or other rights to purchase share capital or any other securities of the Company to have any right to acquire any preferred shares or other securities of the Company.

(g) At the time the Registration Statement was originally declared effective, and at the time the Company’s most recent Annual Report on Form 10-K was filed with the Commission, the Company met the then-applicable requirements for the use of Form S-3 under the Act, including, but not limited to, General Instruction I.B.1. of Form S-3. The Company meets the requirements for use of Form S-3 under the Act specified in Conduct Rule 5110(b)(7)(C)(i) of the Financial Industry Regulatory Authority, Inc. (“FINRA”). In the event that the Company becomes or is then subject to General Instruction I.B.6. of Form S-3 during the term of this Agreement, the aggregate market value of all securities sold by or on behalf of the Company pursuant to and in reliance on General Instruction I.B.6. of Form S-3 during the period of 12 calendar months immediately prior to, and including, any offering of Shares pursuant to this Agreement pursuant to and in reliance on General Instruction I.B.6. of Form S-3 shall not be more than one-third of the aggregate market value of the Non-Affiliate Shares, calculated in accordance with Instructions 1 and 2 to General Instruction I.B.6 of Form S-3. The Company is not a shell company (as defined in Rule 405) and has not been a shell company for at least 12 calendar months previously.

(h) The financial statements, together with the related notes and schedules, included or incorporated by reference in the Registration Statement or the Prospectus present fairly, in all material respects, the financial condition of the Company and its consolidated Subsidiaries as of the respective dates thereof and the results of operations, cash flows and changes in stockholders' equity of the Company and its consolidated Subsidiaries for the respective periods covered thereby, all in conformity with generally accepted accounting principles applied on a consistent basis throughout the entire period involved. No other financial statements or schedules (historical or pro forma) are required by the Act, the Exchange Act, the Exchange Act Rules and Regulations or the Rules and Regulations to be included or incorporated by reference in the Registration Statement or the Prospectus. To the extent applicable, any pro forma financial statements, information or data included or incorporated by reference in the Registration Statement and the Prospectus comply with the requirements of Regulation S-X of the Act, including, without limitation, Article 11 thereof, fairly present the information set forth therein, and the assumptions used in the preparation of such pro forma financial statements and data are reasonable, the pro forma adjustments used therein are appropriate to give effect to the circumstances referred to therein and the pro forma adjustments have been properly applied to the historical amounts in the compilation of those statements and data. To the Company's knowledge, the Accountant is not in violation of the auditor independence requirements of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") with respect to the Company. The other financial and statistical data included and incorporated by reference in the Registration Statement and the Prospectus present accurately and fairly the information shown therein and have been compiled on a basis consistent with the audited financial statements incorporated by reference in the Registration Statement and the Prospectus and the books and records of the Company. The interactive data in eXtensible Business Reporting Language included or incorporated by reference in the Registration Statement and the Prospectus fairly presents the information called for in all material respects and has been prepared in all material respects in accordance with the Commission's rules and guidelines applicable thereto. The Prospectus delivered to Sales Agent for use in connection with the sale of the Placement Shares pursuant to this Agreement will be identical to the versions of the Prospectus created to be transmitted to the Commission for filing via EDGAR, except to the extent permitted by Regulation S-T.

(i) No person, as such term is defined in Rule 1-02 of Regulation S-X under the Rules and Regulations (each, a "Person"), has the right, contractual or otherwise, to cause the Company to issue or sell to such Person any Common Stock or shares of any other capital stock or other securities of the Company. No Person has any preemptive rights, resale rights, rights of first refusal, rights of co-sale or any other rights (whether pursuant to a "poison pill" provision or otherwise) to purchase any Common Stock or shares of any other capital stock or other securities of the Company. (k) The Company and its Subsidiaries are not, will not become as a result of or after giving effect to the transactions contemplated hereby (including the offer and sale of the Placement Shares), and will not conduct their business in a manner that would cause any of them to be, an "investment company," an entity "controlled" by an "investment company" or an "affiliated person" of, or "promoter" or "principal underwriter" for, an "investment company," as each such terms are defined in the Investment Company Act of 1940.

(l) Neither the issuance, sale and delivery of the Placement Shares nor the application of the proceeds thereof by the Company as described in the Registration Statement and the Prospectus will violate Regulation T, U or X of the Board of Governors of the Federal Reserve System or any other regulation of such Board of Governors.

(m) Except as set forth in the Registration Statement, the Pricing Prospectus and the Prospectus, there are no actions, suits or proceedings pending or, to the knowledge of the Company, threatened against or affecting the Company, any of its Subsidiaries or any of its or their officers in their capacity as such, nor any basis therefor, before or by any federal or state court, commission, regulatory body, administrative agency or other governmental body, domestic or foreign, wherein an unfavorable ruling, decision or finding that would reasonably be expected to have a Material Adverse Effect. (n) The Company and each Subsidiary has and will have performed all the obligations required to be performed by it, and is not and will not be, (i) in default, and no event has occurred that, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement or any other contract, agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound or to which any of the property or assets of the Company or any of its Subsidiaries are subject or (ii) in violation of any law or statute or any judgment, order, rule or regulation of any court or arbitrator or governmental or regulatory authority, which default or violation, in the cases of clauses (i) or (ii), would reasonably be expected to have a Material Adverse Effect. To the knowledge of the Company, no other party under any contract or other agreement or instrument to which it or any of its Subsidiaries is a party is in default in any respect thereunder, which default would reasonably be expected to have a Material Adverse Effect. Neither the Company nor any of its Subsidiaries is or will be in violation of any provision of its certificate or articles of incorporation or by-laws or similar organizational documents. (p) The Company has full corporate power and authority to enter into this Agreement and perform the transactions contemplated hereby. This Agreement has been duly authorized, executed and delivered by the Company and constitutes a legal, valid and binding agreement of the Company, enforceable against the Company in accordance with the terms hereof, except that the enforcement (A) of this Agreement may be subject to (i) bankruptcy, insolvency, reorganization, receivership, moratorium, fraudulent conveyance or other similar laws relating to creditor's rights generally and (ii) general principles of equity and the discretion of the court before which any proceeding therefor may be brought (collectively, the "Enforceability Exceptions") and (B) of the indemnification and contribution obligations and provisions of this Agreement may be limited by applicable law or considerations of public policy. The execution and performance of this Agreement and the consummation of the transactions contemplated hereby (including the issuance and sale of the Placement Shares) will not result in the creation or imposition of any lien, charge or encumbrance upon any of the assets of the Company or any of its Subsidiaries pursuant to the terms or provisions of, or result in a breach or violation of any of the terms or provisions of, or conflict with or constitute a default under, or give any party a right to terminate any of its obligations under, or result in the acceleration of any obligation under, (i) the certificate or articles of incorporation or by-laws or other organizational documents of the Company or any of its Subsidiaries, (ii) any indenture, mortgage, deed of trust, voting trust agreement, loan agreement, bond, debenture, note agreement or other evidence of indebtedness, lease, contract or other agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company, any of its Subsidiaries or any of its or their properties is bound or affected, or (iii) violate or conflict with any judgment, ruling, decree, order, statute, rule or regulation of any court or other governmental agency or body applicable to the business or properties of the Company or any of its Subsidiaries, except, which lien, charge, encumbrance, breach, violation, conflict, default, termination or acceleration, in the cases of clauses (ii) or (iii) only, would not, individually or in the aggregate, have a Material Adverse Effect.

(q) The Company and its Subsidiaries have good and marketable title in fee simple to all real property owned by them, good and valid title to all personal property and assets described in the Registration Statement and the Prospectus as owned by them, in each case, free and clear of all liens, charges, encumbrances, claims or restrictions, except such as are not material to the business of the Company or its Subsidiaries. The Company and its Subsidiaries have valid, subsisting and enforceable leases for the properties described in the Registration Statement and the Prospectus as leased by them. The Company and its Subsidiaries own or lease all such properties as are necessary to their operations as now conducted or as proposed to be conducted, except where the failure to so own or lease could not have a Material Adverse Effect. Each of the properties of the Company and its Subsidiaries complies with all applicable codes, laws and regulations (including, without limitation, building and zoning codes, laws and regulations and laws relating to access to such properties), except for such failures to comply that would not, individually or in the aggregate, reasonably be expected to interfere in any material respect with the use made and proposed to be made of such property by the Company and its Subsidiaries or otherwise have a Material Adverse Effect. All contracts to which the Company or any of its Subsidiaries is a party that are described in, or filed with, the Registration Statement or the Prospectus have been duly authorized, executed and delivered by the Company or such Subsidiary, constitute valid and binding agreements of the Company or such Subsidiary and are enforceable against and by the Company or such Subsidiary in accordance with the terms thereof, subject to the Enforceability Exceptions.

(s) None of the Company, any of its Subsidiaries or any of their respective directors, officers or controlling persons has taken, directly or indirectly, any action designed, or that might reasonably be expected to cause or result, under the Act or otherwise, in, or that has constituted, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Placement Shares.

The Company and its Subsidiaries have taken all reasonable steps necessary to secure their interests in such Intellectual Property from their employees and contractors (including, but not limited to, assignments of such Intellectual Property from such employees and contractors) and to protect the confidentiality of all of their confidential information and trade secrets and that of third parties in their possession to the extent contractually required to do so.

(w) None of the Intellectual Property or technology (including information technology and outsourced arrangements) employed by the Company or the Subsidiaries has been obtained or is being used by the Company or the Subsidiaries in violation of any contractual obligation binding on the Company or any of the Subsidiaries or, to the knowledge of the Company and its Subsidiaries, any of their respective officers, directors or employees. The Company and the Subsidiaries own or have a valid right to access and use all computer systems, networks, hardware, software, databases, websites and equipment used to process, store, maintain and operate data, information and functions used in connection with the business of the Company and the Subsidiaries (the "Company IT Systems"). (x) The Company and each of its Subsidiaries have filed all federal, state, local and foreign tax returns that have been required to be filed and has paid all taxes and assessments shown thereon to the extent that such taxes or assessments have become due, other than those being contested in good faith and for which adequate reserves have been provided. Neither the Company nor any of its Subsidiaries has any tax deficiency, penalty or assessment that has been or, to the knowledge of the Company, would reasonably be asserted or threatened against it that would have a Material Adverse Effect. On each Settlement Date, all stock transfer or other taxes (other than income taxes) that are required to be paid in connection with the sale and transfer of the Placement Shares to be sold hereunder will be, or will have been, fully paid or provided for by the Company and all laws imposing such taxes will be or will have been fully complied with.

(y) The Company and its Subsidiaries own or possess all authorizations, approvals, orders, licenses, registrations, other certificates and permits of and from all governmental regulatory officials and bodies, necessary to conduct their respective businesses as contemplated in the Registration Statement and the Prospectus, except where the failure to own or possess all such authorizations, approvals, orders, licenses, registrations, other certificates and permits would not reasonably be expected to have a Material Adverse Effect. There is no proceeding pending or, to the Company's knowledge, threatened (or any basis therefor known to the Company) that may cause any such authorization, approval, order, license, registration, other certificate or permit to be revoked, withdrawn, cancelled, suspended or not renewed; and the Company and each of its Subsidiaries is conducting its business in compliance in all material respects with all laws, rules and regulations applicable thereto (including, without limitation, all applicable federal, state and local environmental laws and regulations); the Company has not received a notice of non-compliance, nor knows of, nor has reasonable grounds to know of, any facts that could give rise to a notice of non-compliance with any such laws, rules and regulations, and is not aware of any pending change or contemplated change to any applicable laws, rules and regulations or governmental positions; in each case that would materially adversely affect the business of the Company or the business or legal environment under which the Company operates.

(z) The Company and each of its Subsidiaries maintains or is covered by insurance of the types and in the amounts reasonably deemed adequate for its business and customary for companies engaged in similar businesses in similar industries, including, but not limited to, insurance covering real and personal property owned or leased by the Company and its Subsidiaries against theft, damage, destruction, acts of vandalism and all other risks customarily insured against, all of which insurance is in full force and effect.

(aa) Other than as contemplated by this Agreement, the Company has not incurred and will not incur any liability for any finder's or broker's fee or agent's commission in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby.

(bb) The Company is in compliance in all material respects with, and there has been no failure on the part of the Company or any of the Company's directors or officers, in their capacities as such, to comply with, all applicable provisions of the Sarbanes-Oxley Act and the rules and regulations of the Commission thereunder. Each of the principal executive officer and the principal financial officer of the Company (or each former principal executive officer of the Company and each former principal financial officer of the Company, as applicable) has made all certifications required by Sections 302 and 906 of the Sarbanes-Oxley Act with respect to all reports, schedules, forms, statements and other documents required to be filed or furnished to the Commission. For purposes of the preceding sentence, "principal executive officer" and "principal financial officer" shall have the meanings given to such terms in the Sarbanes-Oxley Act.

(cc) Neither the Company nor any of its Subsidiaries nor, to the best of the Company's knowledge, any director, officer, agent, employee or other person associated with or acting on behalf of the Company or any of its Subsidiaries has, directly or indirectly, (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity, (ii) made any unlawful payment from corporate funds to any foreign or domestic government official or employee or foreign or domestic political party or campaign, (iii) violated any provision of the Foreign Corrupt Practices Act of 1977 or any comparable applicable law in another jurisdiction, or (iv) made any bribe, illegal rebate, payoff, influence payment, kickback or other unlawful payment. The Company, its Subsidiaries and each of their respective affiliates have instituted and maintain, and will continue to maintain, policies and procedures designed to ensure, and which are reasonably expected to continue to ensure, continued compliance therewith.

(dd) The books, records and accounts of the Company and its Subsidiaries accurately and fairly reflect, in reasonable detail, the transactions in, and dispositions of, the assets of, and the results of operations of, the Company and its Subsidiaries. The Company and each of its Subsidiaries maintains a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management's general or specific authorization, (ii) transactions are recorded as necessary to permit preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles and to maintain asset accountability, (iii) access to assets is permitted only in accordance with management's general or specific authorization and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Company's internal control over financial reporting is effective and the Company is not aware of any material weaknesses in its internal control over financial reporting. Since the date of the latest audited financial statements included or incorporated by reference in the Prospectus, there has been no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

(ee) The Company has established and maintains disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e)); such disclosure controls and procedures have been designed to ensure that material information relating to the Company and its Subsidiaries is made known to the Company's principal executive officer and principal financial officer by others within those entities, particularly during the period in which the Company's Annual Report on Form 10-K or Quarterly Report on Form 10-Q, as the case may be, is being prepared. The Company's certifying officers have evaluated the effectiveness of the Company's disclosure controls and procedures as of a date within 90 days prior to the filing date of the Form 10-K for the most recently ended fiscal year (such date, the "Evaluation Date"). The Company presented in its Form 10-K for the most recently ended fiscal year the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date and the disclosure controls and procedures are effective. Since the Evaluation Date, there have been no significant changes in the Company's disclosure controls or, to the Company's knowledge, in other factors that could significantly affect the Company's disclosure controls.

(ff) There are no affiliations or associations between any member of FINRA and any of the Company's officers, directors or 10% or greater securityholders, except as set forth in the Registration Statement and the Prospectus. The Company and its Subsidiaries have not engaged in, and are not now engaged in, and will not engage in any dealings or transactions with any government, individual or entity, or in any country or territory, that at the time of the dealing or transaction is or was the subject of Sanctions, and have instituted and maintain policies and procedures reasonably designed to promote and achieve compliance with such Sanctions. The Company and its Subsidiaries will not, directly or indirectly, use the proceeds of the issuance and sale of the Placement Shares, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person (A) to fund or facilitate any activities or business of or with any government, individual or entity or in any country or territory that, at the time of such funding or facilitation, is the subject of Sanctions; or (B) in any other manner that will result in a violation of Sanctions by any government, individual or entity (including any government, individual or entity participating in the offering, whether as underwriter, advisor, investor or otherwise).

(hh) The operations of the Company and its Subsidiaries are and have been conducted at all times in compliance in all material respects with applicable financial recordkeeping and reporting requirements of the Currency and Foreign Transactions Reporting Act of 1970, the money laundering laws of all applicable jurisdictions, the rules and regulations thereunder and any related or similar rules, regulations or guidelines administered or enforced by any applicable governmental agency (collectively, the "Money Laundering Laws") and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving the Company or any of its Subsidiaries with respect to the Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(ii) Except as would not, individually or in the aggregate, have a Material Adverse Effect, (i) each of the Company and each of its Subsidiaries (A) is in compliance with all applicable rules, laws and regulation relating to pollution, the protection of health or the environment, and the use, transportation, treatment, storage and disposal of, or exposure to, hazardous or toxic substances or wastes, ("Environmental Law") and (B) has received and is in compliance with all permits, licenses or other approvals required of them under applicable Environmental Law to conduct their respective businesses as described in the Registration Statement and the Prospectus, (ii) none of the Company nor any of its Subsidiaries has received any notice from any governmental authority or third party, or otherwise has knowledge, of any asserted claim under Environmental Laws, and (iii) no facts currently exist that could subject the Company or any of its Subsidiaries to liability under Environmental Laws, including any liability for remediation of any releases or threatened releases of hazardous or toxic substances.

(jj) The statistical, industry-related and market-related data included or incorporated by reference in the Registration Statement and the Prospectus are based on or derived from sources the Company reasonably and in good faith believes are reliable and accurate, and such data agrees with the sources from which they are derived, and the Company has obtained the written consent to the use of such data from such sources to the extent required.

(kk) The Company and each of its Subsidiaries is in compliance in all material respects with all applicable provisions of the Employee Retirement Income Security Act of 1974, including the regulations and published interpretations thereunder ("ERISA"); no "reportable event" (as defined in ERISA) has occurred with respect to any "pension plan" (as defined in ERISA) for which the Company and each of its Subsidiaries would have any material liability; each of the Company and each of its Subsidiaries has not incurred and does not expect to incur liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any "pension plan" or (ii) Sections 412 or 4971 of the Internal Revenue Code of 1986, including the regulations and published interpretations thereunder (the "Code"); and each "pension plan" for which the Company or any Subsidiary would have any material liability that is intended to be qualified under Section 401(a) of the Code is so qualified in all material respects and nothing has occurred, whether by action or by failure to act, which would cause the loss of such qualification.

(ll) No material labor dispute with the employees of the Company or any of its Subsidiaries exists or, to the knowledge of the Company, is imminent; and the Company is not aware of any existing, threatened or imminent labor disturbance by the employees of any of its principal suppliers, manufacturers or contractors that could have a Material Adverse Effect.

(mm) No Subsidiary is currently prohibited, directly or indirectly, from paying any dividends to the Company, from making any other distribution on such Subsidiary's capital stock, from repaying to the Company any loans or advances to such Subsidiary from the Company or from transferring any of such Subsidiary's property or assets to the Company or any other Subsidiary of the Company.

(nn) The Company and its Subsidiaries have operated its business in a manner compliant in all material respects with all privacy and data protection laws and regulations applicable to the Company's and its Subsidiaries' collection, handling, and storage of its customers' data. The Company and its Subsidiaries have policies and procedures in place designed to ensure the integrity and security of the data collected, handled or stored in connection with the delivery of its product offerings. The Company and its Subsidiaries comply with, have policies and procedures in place designed to ensure privacy and data protection laws are complied with and takes appropriate steps which are reasonably designed to assure compliance in all material respects with such policies and procedures.

(oo) No forward-looking statement (within the meaning of Section 27A of the Act and Section 21E of the Exchange Act) contained in the Registration Statement and the Prospectus has been made or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

(pp) The Company is not a party to any agreement with an agent or underwriter for any other "at the market" or continuous equity transaction.

(qq) The Company acknowledges and agrees that Sales Agent has informed the Company that the Sales Agent may, to the extent permitted under the Act and the Exchange Act, purchase and sell Common Stock for its own account while this Agreement is in effect, *provided*, that (i) no such purchase or sales shall take place while a Placement Notice is in effect (except to the extent the Sales Agent may engage in sales of Placement Shares purchased or deemed purchased from the Company as a "riskless principal" or in a similar capacity) and (ii) the Company shall not be deemed to have authorized or consented to any such purchases or sales by the Sales Agent.

(rr) [reserved]

(ss) No statement, representation, warranty or covenant made by the Company in this Agreement or made in any certificate or document required by this Agreement to be delivered to the Sales Agent was or will be, when made, inaccurate, untrue or incorrect.

Any certificate signed by an officer of the Company and delivered to the Sales Agent or to counsel for the Sales Agent pursuant to or in connection with this Agreement shall be deemed to be a representation and warranty by the Company, as applicable, to the Sales Agent as to the matters set forth therein.

7. Agreements of the Company.

The Company covenants and agrees with the Sales Agent as follows:

(a) The Company will not, either prior to the first Applicable Time or thereafter during such period as the Prospectus is required by law to be delivered in connection with sales of the Placement Shares by the Sales Agent or a dealer, file any amendment, supplement or other document under the Exchange Act or the Exchange Act Rules and Regulations relating to the Placement Shares or a security convertible into the Placement Shares, if such document would be deemed to be incorporated by reference into the Registration Statement or the Prospectus, unless a copy thereof shall first have been submitted to the Sales Agent for approval within a reasonable period of time prior to the filing thereof, which approval shall not be unreasonably delayed (*provided, however*, that the failure of the Company to obtain the Sales Agent's approval shall not relieve the Company of any obligation or liability hereunder, or affect the Sales Agent's right to rely on the representations and warranties made by the Company in this Agreement, and provided further that, with the exception of Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, and any amendments thereto, the Company has no obligation to provide the Sales Agent any advance copy of such filing or to provide the Sales Agent an opportunity to object to such filing if the filing does not name the Sales Agent or does not relate to the Placement Shares or the transactions herein described).

(b) So long as delivery of the Prospectus relating to any Placement Shares may be required to be delivered by the Sales Agent or any dealer under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 of the Rules and Regulations or any similar rule), the Company will notify the Sales Agent promptly, and will confirm such advice in writing, (i) when any amendment to the Registration Statement has been filed or becomes effective or any amendment or supplement to the Prospectus has been filed, in each case, other than documents incorporated by reference, (ii) of any request by the Commission for amendments or supplements to the Registration Statement or the Prospectus or for additional information related to the offering of the Placement Shares or to the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus, (iii) of its receipt of notice or its knowledge of the issuance or threatened issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or preventing or suspending the use of the Prospectus Supplement, the Prospectus or any Issuer Free Writing Prospectus or the initiation of any proceedings for that purpose or the threat thereof, (iv) of the suspension of the qualification of the Placement Shares for offering and sale in any jurisdiction, or the initiation or threatening of any proceeding for that purpose, and (v) of receipt by the Company or any representative or counsel to the Company of any other communication from the Commission relating to the Company, the Registration Statement, the Prospectus Supplement, the Prospectus or the issuance and sale of the Placement Shares. If at any time the Commission shall issue any order suspending the effectiveness of the Registration Statement or preventing or suspending the use of the Prospectus Supplement, the Prospectus or any Issuer Free Writing Prospectus, the Company will make every reasonable effort to obtain the withdrawal of such order at the earliest possible moment. If the Company has omitted any information from the Registration Statement pursuant to Rule 430B of the Rules and Regulations, the Company will comply with the provisions of and make all requisite filings with the Commission pursuant to said Rule 430B and notify the Sales Agent promptly of all such filings. The Company will cause each amendment or supplement to the Prospectus to be filed with the Commission as required pursuant to the applicable paragraph of Rule 424(b) of the Act or, in the case of any document to be incorporated by reference therein, to be filed with the Commission as required pursuant to the Exchange Act, within the time period prescribed. If the Company elects to rely upon Rule 462(b) under the Act, the Company shall file a registration statement under Rule 462(b) with the Commission in compliance with Rule 462(b) by 10:00 p.m., Washington, D.C. time, on the date of this Agreement, and the Company shall at the time of filing either pay to the Commission the filing fee for such Rule 462(b) registration statement or give irrevocable instructions for the payment of such fee pursuant to the Rules and Regulations. So long as delivery of the Prospectus relating to any Placement Shares may be required to be delivered by the Sales Agent or any dealer under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 of the Rules and Regulations or any similar rule), the Company will comply with all requirements imposed upon it by the Act, as from time to time in force, and to file on or before their respective due dates all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14, 15(d) or any other provision of or under the Exchange Act.

(c) The Company will furnish to the Sales Agent, without charge, written and electronic copies of each of the Registration Statement and of any pre- or post-effective amendment thereto, including financial statements and schedules, and all exhibits thereto, the Prospectus (including all documents incorporated by reference therein), the Prospectus Supplement, each Issuer Free Writing Prospectus and all amendments and supplements thereto that are filed with the Commission during any period that a Prospectus relating to the Placement Shares is required to be delivered under the Act, in each case as soon as reasonably practicable and in such quantities as the Sales Agent may from time to time reasonably request and, at the Sales Agent's request, will also furnish copies of the Prospectus to each exchange or market on which sales of the Placement Shares may be made; *provided, however*, that the Company shall not be required to furnish any document (other than the Prospectus) to the Sales Agent to the extent such document is available on EDGAR.

(d) The Company will use its best efforts to comply with all requirements imposed upon it by the Act and the Exchange Act as from time to time in force, so far as necessary to permit the sales of, or dealings in, the Placement Shares as contemplated by the provisions hereof and the Prospectus.

(e) So long as delivery of the Prospectus relating to any Placement Shares may be required to be delivered by the Sales Agent or any dealer under the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172 of the Rules and Regulations or any similar rule), the Company will prepare and file with the Commission, promptly upon the Sales Agent's request, any amendments or supplements to the Registration Statement or the Prospectus that, in the Sales Agent's reasonable opinion, may be necessary or advisable in connection with the distribution of the Placement Shares by the Sales Agent (*provided, however*, that the failure of the Sales Agent to make such request shall not relieve the Company of any obligation or liability hereunder, or affect the Sales Agent's right to rely on the representations and warranties made by the Company in this Agreement). The Company consents to the use of the Prospectus Supplement, the Prospectus, each Issuer Free Writing Prospectus and any amendment or supplement thereto by the Sales Agent and by all dealers to whom the Placement Shares may be sold, both in connection with the offering or sale of the Placement Shares and for any period of time thereafter during which the Prospectus is required by law to be delivered in connection therewith. If during such period of time any event shall occur that in the judgment of the Company or counsel to the Sales Agent should be set forth in the Prospectus in order to make any statement therein, in the light of the circumstances under which it was made, not misleading, or if it is necessary to supplement or amend the Prospectus to comply with law, the Company will notify the Sales Agent to suspend the offering of Placement Shares during such period and the Company will forthwith prepare and duly file with the Commission an appropriate supplement or amendment thereto, and will deliver to the Sales Agent, without charge, such number of copies of such supplement or amendment to the Prospectus as the Sales Agent may reasonably request. If at any time following issuance of an Issuer Free Writing Prospectus there occurred or occurs an event or development as a result of which such Issuer Free Writing Prospectus conflicted or would conflict with the information contained in the Registration Statement, the Prospectus Supplement or the Prospectus or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company will promptly notify the Sales Agent and, if requested by the Sales Agent, will promptly amend or supplement, at its own expense, such Issuer Free Writing Prospectus to eliminate or correct such conflict, untrue statement or omission.

(f) The Company will use its reasonable best efforts and cooperate with the Sales Agent in connection with the registration or qualification of the Placement Shares for offer and sale under the state or foreign securities or Blue Sky laws of such jurisdictions as the Sales Agent may request and to maintain such registration or qualification in effect for so long as required for the distribution of the Placement Shares (but in no event for less than one year from the date of this Agreement); *provided*, that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to general service of process in any jurisdiction where it is not now so subject. In each applicable jurisdiction, the Company will file such statements and reports as may be required by the laws of such jurisdiction to continue such registration or qualification in effect for so long as required for the distribution of the Placement Shares (but in no event for less than one year from the date of this Agreement).

(g) The Company will, so long as required under the Rules and Regulations, furnish to its stockholders as soon as practicable after the end of each fiscal year an annual report (including a balance sheet and statements of income, stockholders' equity and cash flow of the Company and its consolidated Subsidiaries, if any, certified by independent public accountants) and, as soon as practicable after the end of each of the first three quarters of each fiscal year (beginning with the fiscal quarter ending after the Effective Date), consolidated summary financial information of the Company and its Subsidiaries, if any, for such quarter in reasonable detail.

(h) The Company will make generally available to holders of its securities as soon as practicable, but in no event later than 15 months after the end of the Company's current fiscal quarter, an earning statement covering a period of 12 months that satisfies the provisions of Section 11(a) of the Act (including Rule 158 of the Rules and Regulations), provided that the Company will be deemed to have furnished such statement to its security holders to the extent it is available on EDGAR.

(i) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company will pay or reimburse if paid by the Sales Agent all costs and expenses incident to the performance of the obligations of the Company under this Agreement and in connection with the transactions contemplated hereby, including but not limited to costs and expenses of or relating to (i) the preparation, printing and filing of the Registration Statement and exhibits to it, the Prospectus Supplement, the Prospectus, any Issuer Free Writing Prospectus and any amendment or supplement to any of the foregoing, including any fees required by the Commission in connection therewith, (ii) the preparation and delivery of certificates, if any, representing the Placement Shares, including any stock or other transfer taxes and any capital duties, stamp duties or other duties or taxes payable upon the sale, issuance or delivery of the Placement Shares to the Sales Agent, (iii) furnishing (including costs of shipping and mailing) such copies of the Registration Statement, the Prospectus Supplement, the Prospectus and any Issuer Free Writing Prospectus, and all amendments and supplements thereto, as may be requested by the Sales Agent for use in connection with the offering and sale of the Placement Shares, (iv) the listing of the Placement Shares on the Exchange, (v) any filings required to be made in connection with clearance of the offering of the Placement Shares with FINRA, (vi) the registration or qualification of the Placement Shares for offer and sale under state or foreign securities or Blue Sky laws and the preparation, printing and distribution of any Blue Sky memoranda (including the fees, disbursements and other charges of counsel to the Sales Agent in connection therewith), (vii) fees, disbursements and other charges of counsel to the Company and of the Accountants, (viii) the transfer agent for the Placement Shares and (ix) all other costs and expenses of the Sales Agent incident to the performance of its obligations hereunder not otherwise specifically provided, including the documented fees, disbursements and other charges of counsel to the Sales Agent); *provided, however*, that in no event under clause (ix) shall the Company be required to pay or reimburse any Sales Agent costs and expenses in excess of \$100,000 in connection with the establishment of the ATM Program and \$7,500 for each periodic update of the ATM Program.

(j) The Company will not at any time, directly or indirectly, (i) take any action designed or that might reasonably be expected to cause or result in, or that will constitute, stabilization of the price of the shares of Common Stock to facilitate the sale or resale of any of the Placement Shares or (ii) sell, bid for, or purchase Common Stock in violation of Regulation M, or pay anyone any compensation for soliciting purchases of the Placement Shares other than the Sales Agent.

(k) The Company will conduct its affairs in such a manner so as to reasonably ensure that neither it nor any of its Subsidiaries will be or become, at any time prior to the termination of this Agreement, required to register as an “investment company,” as such term is defined in the Investment Company Act.

(l) The Company will use the Net Proceeds in the manner set forth in the Prospectus under the caption “Use of Proceeds.”

(m) The Company and the Subsidiaries will maintain and keep accurate books and records reflecting their assets and maintain internal accounting controls in a manner designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and including those policies and procedures that (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company, (ii) provide reasonable assurance that transactions are recorded as necessary to permit the preparation of the Company’s consolidated financial statements in accordance with generally accepted accounting principles, (iii) receipts and expenditures of the Company are being made only in accordance with management’s and the Company’s directors’ authorization and (iv) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company’s assets that could have a material effect on its financial statements. The Company and the Subsidiaries will maintain such controls and other procedures, including, without limitation, those required by Sections 302 and 906 of the Sarbanes-Oxley Act, and the applicable regulations thereunder that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the Commission’s rules and forms, including, without limitation, controls and procedures designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the Company’s management, including its principal executive officer and principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure and to ensure that material information relating to the Company or the Subsidiaries is made known to them by others within those entities, particularly during the period in which such periodic reports are being prepared.

(n) Without the prior written consent of the Sales Agent, the Company will not, directly or indirectly, offer to sell, sell, contract to sell, grant any option to sell or otherwise dispose of any shares of Common Stock (other than the Placement Shares offered pursuant to this Agreement) or securities convertible into or exchangeable or exercisable for shares of Common Stock, warrants or any rights to purchase or acquire, shares of Common Stock during the period beginning on the third Trading Day immediately prior to the date on which any Placement Notice is delivered to Sales Agent hereunder and ending on the third Trading Day immediately following the final Settlement Date with respect to Placement Shares sold pursuant to such Placement Notice (or, if the Placement Notice has been terminated or suspended prior to the sale of all Placement Shares covered by a Placement Notice, the date of such suspension or termination); and at any time during which a Placement Notice is pending and for three Trading Days after the last sale of Placement Shares under such Placement Notice, will not directly or indirectly in any other “at the market offering” or continuous equity transaction offer to sell, sell, contract to sell, grant any option to sell or otherwise dispose of any Common Stock (other than the Placement Shares offered pursuant to this Agreement) or securities convertible into or exchangeable or exercisable for shares of Common Stock, warrants or any rights to purchase or acquire, shares of Common Stock prior to the earlier of the termination of this Agreement and the third calendar day immediately following the final Settlement Date with respect to Placement Shares sold pursuant to such Placement Notice; *provided, however*, that such restrictions will not be required in connection with the Company’s issuance or sale of (i) shares of Common Stock, options to purchase shares of Common Stock or shares of Common Stock issuable upon the exercise of options, pursuant to any employee or director stock option or benefits plan, stock ownership plan or dividend reinvestment plan (but not shares Common Stock subject to a waiver to exceed plan limits in its dividend reinvestment plan) of the Company whether now in effect or hereafter implemented, (ii) shares of Common Stock issuable upon conversion of securities or the exercise of warrants, options or other rights in effect or outstanding, and disclosed in filings by the Company available on EDGAR or otherwise in writing to the Sales Agent and (iii) shares of Common Stock or securities convertible into or exchangeable for shares of Common Stock as consideration for mergers, acquisitions, other business combinations or strategic alliances occurring after the date of this Agreement which are not issued for capital raising purposes.

(o) Prior to the date of the first Placement Notice, the Company will use its reasonable best efforts to cause the Placement Shares to be listed or if already listed, then maintained, on the Exchange.

(p) The Company will, at any time during the pendency of a Placement Notice, advise the Sales Agent promptly after it shall have received notice or obtained knowledge thereof, of any information or fact that would alter or affect in any material respect any opinion, certificate, letter or other document required to be provided to the Sales Agent pursuant to this Agreement.

(q) The Company will cooperate with any reasonable due diligence review conducted by the Sales Agent, its representatives and its counsel in connection with the transactions contemplated hereby, including, without limitation, providing information and making available documents and senior corporate officers, during regular business hours and at the Company's principal offices, as the Sales Agent may reasonably request.

(r) The Company agrees that on or prior to such dates as the Act shall require, the Company will (i) file a prospectus supplement with the Commission under the applicable paragraph of Rule 424(b), which prospectus supplement will set forth, within the relevant period, the number or amount of Placement Shares sold through the Sales Agent, the Net Proceeds to the Company and the compensation payable by the Company to the Sales Agent with respect to such Placement Shares, and (ii) deliver such number of copies of each such prospectus supplement to each exchange or market on which such sales were effected as may be required by the rules or regulations of such exchange or market; *provided*, that, unless a prospectus supplement containing such information is required to be filed under the Act, the requirement of this Section 7(r) may be satisfied by Company's inclusion in the Company's Form 10-K or Form 10-Q, as applicable, of the number or amount of Placement Shares sold through the Sales Agent, the Net Proceeds to the Company and the compensation payable by the Company to the Sales Agent with respect to such Placement Shares during the relevant period.

(s) Prior to the date on which the Company first delivers a Placement Notice and each time the Company:

(i) files the Prospectus relating to the Placement Shares or amends or supplements (other than a prospectus supplement relating solely to an offering of securities other than the Placement Shares) the Registration Statement or the Prospectus relating to the Placement Shares by means of a post-effective amendment, sticker or supplement but not by means of incorporation of documents by reference into the Registration Statement or the Prospectus relating to the Placement Shares;

(ii) files an annual report on Form 10-K under the Exchange Act (including any Form 10-K/A containing amended financial information or a material amendment to the previously filed Form 10-K);

(iii) files a quarterly report on Form 10-Q under the Exchange Act; or

(iv) files a current report on Form 8-K containing amended financial information (other than information "furnished" pursuant to Items 2.02 or 7.01 of Form 8-K) under the Exchange Act (each date of filing of one or more of the documents referred to in clauses (i) through (iv) shall be a "Representation Date"),

the Company shall furnish the Sales Agent (but in the case of clause (iv) above only if the Sales Agent reasonably determines that the information contained in such Form 8-K is material at a time when a Placement Notice is pending or in effect and the Sales Agent requests a certificate within three Trading Days of the Company's filing of such Form 8-K) with a certificate, in the form attached hereto, dated the Representation Date, modified, as necessary, to relate to the Registration Statement and the Prospectus as amended or supplemented. The requirement to provide a certificate under this Section 7(s) shall be waived for any Representation Date occurring at a time a Suspension is in effect, which waiver shall continue until the earlier to occur of the date on which the Company delivers instructions for the sale of Placement Shares hereunder (which for such calendar quarter shall be considered a Representation Date) and the next occurring Representation Date. Notwithstanding the foregoing, if the Company subsequently decides to sell Placement Shares following a Representation Date when a Suspension was in effect and did not provide the Sales Agent with a certificate under this Section 7(s), then before the Company delivers the instructions for the sale of Placement Shares or the Sales Agent sells any Placement Shares pursuant to such instructions, the Company shall provide the Sales Agent with a certificate in conformity with this Section 7(s) dated as of the date that the instructions for the sale of Placement Shares are issued.

(t) Prior to the date of the first Placement Notice and within five Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate pursuant to Section 7(s) for which no waiver is applicable, the Company shall cause to be furnished to the Sales Agent a written opinion and negative assurance letter of Rimon P.C., attention Theodore J. Ghorra, Esq. (“Company Counsel”), in form and substance satisfactory to Sales Agent and its counsel, modified, as necessary, to relate to the Registration Statement and the Prospectus as then amended or supplemented; *provided, however*, that in lieu of such opinion or negative assurance letter for subsequent Representation Dates, Company counsel may furnish the Sales Agent with a letter (a “Reliance Letter”) to the effect that the Sales Agent may rely on a prior opinion or negative assurance letter delivered under this Section 7(t) to the same extent as if it were dated the date of such letter (except that statements in such prior opinion or negative assurance letter shall be deemed to relate to the Registration Statement and the Prospectus as amended or supplemented as of the date of the Reliance Letter).

(u) Prior to the date of the first Placement Notice and within five Trading Days of each Representation Date with respect to which the Company is obligated to deliver a certificate pursuant to Section 7(s) for which no waiver is applicable, the Company shall cause the Accountant to furnish the Sales Agent letters (the “Comfort Letters”), dated the date the Comfort Letter is delivered, which shall meet the requirements set forth in this Section 7(u); *provided*, that if requested by the Sales Agent, the Company shall cause a Comfort Letter to be furnished to the Sales Agent within 10 Trading Days of the date of occurrence of any material transaction or event, including the restatement of the Company’s financial statements. The Comfort Letter shall be in a form and substance satisfactory to the Sales Agent, (i) confirming that they are an independent registered public accounting firm within the meaning of the Act and the PCAOB, (ii) stating, as of such date, the conclusions and findings of such firm with respect to the financial information and other matters ordinarily covered by accountants’ “comfort letters” to underwriters in connection with registered public offerings (the first such letter, the “Initial Comfort Letter”) and (iii) updating the Initial Comfort Letter with any information that would have been included in the Initial Comfort Letter had it been given on such date and modified as necessary to relate to the Registration Statement and the Prospectus, as amended and supplemented to the date of such letter. Notwithstanding anything to the contrary set forth in this Section 7(u), the Sales Agent may, in its discretion, waive the requirement for a comfort letter or in lieu thereof, accept a certificate from the CFO of the Company that is in substance satisfactory to the Sales Agent.

(v) [reserved]

(w) If, immediately prior to the third anniversary of the initial effective date of the Registration Statement (the “Renewal Date”), any of the Placement Shares remain unsold and this Agreement has not been terminated, the Company will, prior to the Renewal Date, file a new shelf registration statement or, if applicable, an automatic shelf registration statement relating to the Common Stock that may be offered and sold pursuant to this Agreement (which shall include a prospectus reflecting the number or amount of Placement Shares that may be offered and sold pursuant to this Agreement), in a form satisfactory to the Sales Agent and its counsel, and, if such registration statement is not an automatic shelf registration statement, will use its best efforts to cause such registration statement to be declared effective within 180 days after the Renewal Date. The Company will take all other reasonable actions necessary or appropriate to permit the public offer and sale of the Placement Shares to continue as contemplated in the expired registration statement and this Agreement. From and after the effective date thereof, references herein to the “Registration Statement” shall include such new shelf registration statement or such new automatic shelf registration statement, as the case may be.

(x) If, from and after the date of this Agreement, the Company is no longer eligible to use Form S-3 (including pursuant to General Instruction I.B.6.) at the time it files with the Commission an annual report on Form 10-K or any post-effective amendment to the Registration Statement, then it shall promptly notify the Sales Agent and, within two Business Days after the date of filing of such annual report on Form 10-K or amendment to the Registration Statement, the Company shall file a new prospectus supplement with the Commission reflecting the number of shares of Common Stock available to be offered and sold by the Company under this Agreement pursuant to General Instruction I.B.6. of Form S-3; *provided, however*, that the Company may delay the filing of any such prospectus supplement for up to 30 days if, in the reasonable judgment of the Company, it is in the best interest of the Company to do so, provided that no Placement Notice is in effect or pending during such time. Until such time as the Company shall have corrected such misstatement or omission or effected such compliance, the Company shall not notify the Sales Agent to resume the offering of Placement Shares.

(y) The Company represents and agrees that, without the prior written consent of the Sales Agent, and the Sales Agent represents and agrees that, without the prior written consent of the Company, it (including its agents and representatives, other than the Sales Agent in its capacity as such) has not made and will not make, use, prepare, authorize, approve or refer to any written communication that constitutes an offer to sell or solicitation of an offer to buy Placement Shares hereunder or otherwise make any offer relating to the Placement Shares that would constitute an Issuer Free Writing Prospectus or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405), required to be filed with the Commission. Any such free writing prospectus the use of which has been consented to by the Company and the Sales Agent, as the case may be, is herein called a “Permitted Free Writing Prospectus.” The Company represents and agrees that it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and that it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 of the Rules and Regulations applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission, where required, recordkeeping and legending. For the purposes of clarity, the parties hereto agree that all free writing prospectuses, if any, listed in Schedule 4 hereto are Permitted Free Writing Prospectuses.

8. Conditions of the Obligations of the Sales Agent.

The obligations of the Sales Agent hereunder with respect to a Placement will be subject to the continuing accuracy and completeness of the representations and warranties made by the Company herein, to the due performance by the Company of its obligations hereunder, to the completion by the Sales Agent of a due diligence review satisfactory to the Sales Agent, and to the continuing satisfaction (or waiver by the Sales Agent in its sole discretion) of the following additional conditions:

(a) The Registration Statement shall be effective and shall be available for the (i) resale of all Placement Shares issued to the Sales Agent and not yet sold by the Sales Agent and (ii) sale of all Placement Shares contemplated to be issued by any Placement Notice. All filings required by Rule 424 shall have been made, including timely filing of the Prospectus Supplement pursuant to Rule 424(b).

(b) (i) No stop order suspending the effectiveness of the Registration Statement or preventing or suspending the use of the Prospectus Supplement, the Prospectus or any Issuer Free Writing Prospectus shall have been issued and no proceedings for that purpose shall be pending or threatened by the Commission; (ii) no order suspending the qualification or registration of the Placement Shares under the securities or Blue Sky laws of any jurisdiction shall be in effect and no proceeding for such purpose shall be pending before or threatened or contemplated by any applicable governmental authorities; (iii) the Company shall not have received any request for additional information from the Commission or any other federal or state governmental authority during the period of effectiveness of the Registration Statement, the response to which would require any post-effective amendments or supplements to the Registration Statement or the Prospectus; (iv) there shall not have occurred or be continuing any event that makes any material statement made in the Registration Statement or the Prospectus or any material Incorporated Document untrue in any material respect or that requires the making of any changes in the Registration Statement, the Prospectus or Incorporated Documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading and, in the case of the Prospectus, so that it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(c) The Sales Agent shall not have advised the Company that the Registration Statement or the Prospectus, or any amendment or supplement thereto, contains an untrue statement of fact that in the Sales Agent’s opinion is material, or omits to state a fact that in the Sales Agent’s opinion is material and is required to be stated therein or is necessary to make the statements therein not misleading.

(d) Except as contemplated in the Prospectus, or disclosed in the Company's reports filed with the Commission, (i) there shall not have been (A) a Material Adverse Change or any material adverse change, on a consolidated basis, in the authorized capital stock of the Company, (B) any Material Adverse Effect or the occurrence of any development that the Company reasonably expects would result in a Material Adverse Effect or (C) any downgrading in or withdrawal of the rating assigned to any of the Company's securities (other than asset-backed securities), if any, by any rating organization or a public announcement by any rating organization that it has under surveillance or review its rating of any of the Company's securities (other than asset-backed securities), if any, and (ii) neither the Company nor any of its Subsidiaries shall have sustained any material loss or interference with its business or properties from fire, explosion, flood or other casualty, whether or not covered by insurance, or from any labor dispute or any court or legislative or other governmental action, order or decree, if in the judgment of the Sales Agent (without relieving the Company of any obligation or liability it may otherwise have), any such development makes it impracticable or inadvisable to proceed with the offering of the Placement Shares on the terms and in the manner contemplated in the Prospectus.

(e) Since the respective dates as of which information is given in the Registration Statement and the Prospectus, there shall have been no litigation or other proceeding instituted against the Company, any of its Subsidiaries or any of its or their officers or directors in their capacities as such, before or by any federal, state or local court, commission, regulatory body, administrative agency or other governmental body, domestic or foreign, in which litigation or proceeding an unfavorable ruling, decision or finding would, in the judgment of the Sales Agent, have a Material Adverse Effect or if, in the judgment of the Sales Agent, any such development makes it impracticable or inadvisable to proceed with the offering of the Placement Shares on the terms and in the manner contemplated in the Prospectus.

(f) Each of the representations and warranties of the Company contained herein shall be true and correct in all respects (in the case of any representation and warranty containing a materiality or Material Adverse Effect qualification) or in all material respects (in the case of any other representation and warranty), and all covenants and agreements contained herein to be performed on the part of the Company and all conditions contained herein to be fulfilled or complied with by the Company shall have been duly performed, fulfilled or complied with.

(g) The Sales Agent shall have received the opinion and negative assurance letter from Company Counsel required to be delivered pursuant to Section 7(t) on or before the date on which delivery of such opinion and negative assurance letter is required pursuant to Section 7(t).

(h) The Sales Agent shall have received an opinion and negative assurance letter from Faegre Drinker Biddle & Reath, LLP, counsel to the Sales Agent, on or before the date on which delivery of the opinion of Company Counsel is required pursuant to Section 7(t), which opinion and negative assurance letter shall be reasonably satisfactory in all respects to the Sales Agent, and the Company shall have furnished to such counsel such documents as they may request to enable counsel to the Sales Agent to pass upon such matters.

(i) The Sales Agent shall have received the Comfort Letter required to be delivered pursuant to Section 7(u) on or before the date on which such delivery of such Comfort Letter is required pursuant to Section 7(u).

(j) The Sales Agent shall have received the certificate required to be delivered pursuant to Section 7(s) on or before the date on which delivery of such certificate is required pursuant to Section 7(s).

(k) Prior to the date of the first Placement Notice and at subsequent Representation Dates as may be requested by the Sales Agent, the Company shall deliver to the Sales Agent a certificate of the Secretary of the Company and attested to by an executive officer of the Company, dated as of such date and in form and substance satisfactory to the Sales Agent and its counsel, certifying as to (i) the Certificate of Incorporation of the Company, (ii) the By-laws of the Company, (iii) the resolutions of the board of directors of the Company or a duly authorized committee thereof authorizing the execution, delivery and performance of this Agreement and the issuance of the Placement Shares and (iv) the incumbency of the officers duly authorized to execute this Agreement and the other documents contemplated by this Agreement.

(l) The Placement Shares shall be qualified for sale in such jurisdictions as the Sales Agent may reasonably request and each such qualification shall be in effect and not subject to any stop order or other proceeding.

(m) Either (i) the Placement Shares shall have been approved for listing on the Exchange, subject only to notice of issuance, or (ii) the Company shall have filed an application for listing of the Placement Shares on the Exchange at, or prior to, the issuance of the first Placement Notice and the Exchange shall have reviewed such application and not provided any objections thereto. Trading in the Common Stock shall not have been suspended on the Exchange and the Common Stock shall not have been delisted from the Exchange.

(n) All filings with the Commission required by Rule 424(b) or Rule 433 under the Act to have been filed prior to the issuance of any Placement Notice hereunder shall have been made within the applicable time period prescribed for such filing by Rule 424(b) (without reliance on Rule 424(b)(8)) or Rule 433, as applicable.

(o) If applicable, FINRA shall have raised no objection to the terms of the offering contemplated hereby and the amount of compensation allowable or payable to the Sales Agent as described in the Prospectus.

(p) On each date on which the Company is required to deliver a certificate pursuant to Section 7(s), the Company shall have furnished to the Sales Agent such further information, opinions, certificates, letters and other documents, in addition to those specifically mentioned herein, as the Sales Agent may have reasonably requested. All such information, opinions, certificates, letters and other documents shall have been in compliance with the provisions hereof.

(q) There shall not have occurred any event that would permit the Sales Agent to terminate this Agreement pursuant to Section 11(a).

9. Indemnification and Contribution.

(a) The Company will indemnify and hold harmless the Sales Agent, its partners, members, directors, officers, employees, agents and affiliates and each person, if any, who controls the Sales Agent within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, from and against any and all losses, claims, liabilities, expenses and damages (including any and all investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted), to which they, or any of them, may become subject under the Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, liabilities, expenses or damages arise out of or are based on any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, Prospectus Supplement, the Prospectus or any amendment or supplement thereto or any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) of the Rules and Regulations, or the omission or alleged omission to state in such document a material fact required to be stated in it or necessary to make the statements in it not misleading in the light of the circumstances in which they were made, or arise out of or are based in whole or in part on any inaccuracy in the representations and warranties of the Company contained herein or any failure of the Company to perform its obligations hereunder or under law in connection with the transactions contemplated hereby; *provided, however*, that the Company will not be liable to the extent that such loss, claim, liability, expense or damage arises from the sale of the Placement Shares to any person by the Sales Agent and is based on the Sales Agent Information. This indemnity agreement will be in addition to any liability that the Company might otherwise have.

(b) The Sales Agent will indemnify and hold harmless the Company, each director of the Company, each officer of the Company who signs the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to Sales Agent, as set forth in Section 9(a), but only insofar as losses, claims, liabilities, expenses or damages arise out of or are based on any untrue statement or omission or alleged untrue statement or omission made in reliance on and in conformity with the Sales Agent Information. This indemnity will be in addition to any liability that the Sales Agent might otherwise have.

(c) Any party that proposes to assert the right to be indemnified under this Section 9 shall, promptly after receipt of notice of commencement of any action against such party in respect of which a claim is to be made against an indemnifying party or parties under this Section 9, notify each such indemnifying party in writing of the commencement of such action, enclosing with such notice a copy of all papers served, but the omission so to notify such indemnifying party will not relieve it from any liability that it may have to any indemnified party under the foregoing provisions of this Section 9 unless, and only to the extent that, such omission results in the loss of substantive rights or defenses by the indemnifying party. If any such action is brought against any indemnified party and it notifies the indemnifying party of its commencement, the indemnifying party will be entitled to participate in and, to the extent that it elects by delivering written notice to the indemnified party promptly after receiving notice of the commencement of the action from the indemnified party, jointly with any other indemnifying party similarly notified, to assume the defense of the action, with counsel reasonably satisfactory to the indemnified party. After notice from the indemnifying party to the indemnified party of its election to assume the defense, the indemnifying party will not be liable to the indemnified party for any legal or other expenses except as provided below and except for the reasonable and documented costs of investigation incurred by the indemnified party in connection with the defense. The indemnified party will have the right to employ its own counsel in any such action, but the fees, expenses and other charges of such counsel will be at the expense of such indemnified party unless (i) the employment of counsel by the indemnified party has been authorized in writing by the indemnifying party, (ii) the indemnified party has reasonably concluded (based on advice of counsel) that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party, (iii) a conflict or potential conflict exists (based on advice of counsel to the indemnified party) between the indemnified party and the indemnifying party (in which case the indemnifying party will not have the right to direct the defense of such action on behalf of the indemnified party), or (iv) the indemnifying party has not in fact employed counsel reasonably satisfactory to the indemnified party to assume the defense of such action within a reasonable and documented time after receiving notice of the commencement of the action, in each of which cases the reasonable and documented fees, disbursements and other charges of counsel will be at the expense of the indemnifying party or parties. It is understood that the indemnifying party or parties shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable and documented fees, disbursements and other charges of more than one separate firm (plus local counsel) admitted to practice in such jurisdiction at any one time for all such indemnified party or parties. All such reasonable fees, disbursements and other charges will be reimbursed by the indemnifying party promptly as they are incurred. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (A) includes an unconditional release of such indemnified party, in form and substance reasonably satisfactory to the indemnified party, from all liability on any claims that are the subject matter of such action and (B) does not include a statement as to, or an admission of, fault, culpability or a failure to act by or on behalf of an indemnified party. An indemnifying party will not be liable for any settlement of any action or claim effected without its written consent (which consent will not be unreasonably withheld or delayed).

(d) If an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for reasonable fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by this Section 9 effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

(e) If the indemnification provided for in this Section 9 is applicable in accordance with its terms but for any reason is held to be unavailable to or insufficient to hold harmless an indemnified party under this Section 9 in respect of any losses, claims, liabilities, expenses and damages referred to therein, then each applicable indemnifying party, in lieu of indemnifying such indemnified party, shall contribute to the amount paid or payable (including any investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted, but after deducting any contribution received by the Company from persons other than the Sales Agent, such as persons who control the Company within the meaning of the Act, officers of the Company who signed the Registration Statement and directors of the Company, who also may be liable for contribution) by such indemnified party as a result of such losses, claims, liabilities, expenses and damages in such proportion as shall be appropriate to reflect the relative benefits received by the Company, on the one hand, and the Sales Agent, on the other hand. The relative benefits received by the Company, on the one hand, and the Sales Agent, on the other hand, shall be deemed to be in the same proportion as the total Net Proceeds from the sale of the Placement Shares (before deducting expenses) received by the Company bear to the total compensation received by the Sales Agent from the sale of the Placement Shares on behalf of the Company. If, but only if, the allocation provided by the foregoing sentence is not permitted by applicable law, the allocation of contribution shall be made in such proportion as is appropriate to reflect not only the relative benefits referred to in the foregoing sentence but also the relative fault of the Company, on the one hand, and the Sales Agent, on the other hand, with respect to the statements or omissions that resulted in such loss, claim, liability, expense or damage, or action in respect thereof, as well as any other relevant equitable considerations with respect to such offering. Such relative fault shall be determined by reference to whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or the Sales Agent, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Sales Agent agree that it would not be just and equitable if contributions pursuant to this Section 9(e) were to be determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss claim, liability, expense or damage, or action in respect thereof, referred to above in this Section 9(e) shall be deemed to include, for purposes of this Section 9(e), any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 9(e), the Sales Agent shall not be required to contribute any amount in excess of the commissions received by it and no person found guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 9(e), any person who controls a party to this Agreement within the meaning of the Act will have the same rights to contribution as that party, and each officer of the Company who signed the Registration Statement will have the same rights to contribution as the Company, subject in each case to the provisions hereof. Any party entitled to contribution, promptly after receipt of notice of commencement of any action against any such party in respect of which a claim for contribution may be made under this Section 9(e), will notify any such party or parties from whom contribution may be sought, but the omission so to notify will not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have under this Section 9(e). No party will be liable for contribution with respect to any action or claim settled without its written consent if such consent is required pursuant to Section 9 hereof.

(f) The indemnity and contribution agreements contained in this Section 9 and the representations and warranties of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of the Sales Agent, (ii) acceptance of any of the Placement Shares and payment therefor or (iii) any termination of this Agreement.

10. *Reimbursement of Certain Expenses.*

In addition to its other obligations under Section 9(a) of this Agreement, the Company hereby agrees to reimburse the Sales Agent on a quarterly basis for all reasonable legal and other expenses incurred in connection with investigating or defending any claim, action, investigation, inquiry or other proceeding arising out of or based upon, in whole or in part, any statement or omission or alleged statement or omission or any inaccuracy in the representations and warranties of the Company contained herein or failure of the Company to perform its obligations hereunder or under law, all as described in Section 9(a), notwithstanding the absence of a judicial determination as to the propriety and enforceability of the obligations under this Section 10 and the possibility that such payment might later be held to be improper; *provided, however*, that, to the extent any such payment is ultimately held to be improper, the persons receiving such payments shall promptly refund them.

11. *Termination.*

(a) The obligations of the Sales Agent under this Agreement may be terminated and the Sales Agent may terminate this Agreement at any time, by notice to the Company from the Sales Agent, without liability on the part of the Sales Agent to the Company if, in the sole judgment of the Sales Agent, (i) there has been, since the time of execution of this Agreement or since the date as of which information is given in the Prospectus, any Material Adverse Effect, any Material Adverse Change or any development that could reasonably be expected to result in a Material Adverse Effect or a Material Adverse Change, (ii) trading in any of the equity securities of the Company shall have been suspended or limited by the Commission or by the Exchange or trading of any securities of the Company on any exchange or in the over-the-counter market shall have occurred and be continuing, (iii) trading in securities generally on the Exchange shall have been suspended or limited or minimum or maximum prices shall have been generally established on the Exchange, or material governmental restrictions shall have been imposed upon trading in securities generally by the Exchange, by order of the Commission or any court or other governmental authority or by the Exchange, (iv) a banking moratorium shall have been declared by either federal or New York State authorities or any material disruption of the securities settlement or clearance services in the United States shall have occurred, or (v) any material adverse change in the financial or securities markets in the United States or elsewhere or in political, financial or economic conditions in the United States or elsewhere, any outbreak or material escalation of hostilities, a declaration of a national emergency or war, or other calamity or crisis, either within or outside the United States, shall have occurred, the effect of which is such as to make it, in the sole judgment of the Sales Agent, impracticable or inadvisable to sell the Placement Shares or to enforce contracts for the sale of the Placement Shares. If this Agreement is terminated pursuant to this Section 11(a), neither party shall have any liability to the other party, except that Sections 7(i), 9, 10 and 13 hereof shall remain in full force and effect notwithstanding such termination; If the Sales Agent elects to terminate this Agreement as provided in this Section 11(a), the Sales Agent shall provide the required notice as specified in Section 13.

(b) The Company shall have the right, by giving 10 days' prior notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement. Any such termination shall be without liability of any party to any other party except that the provisions of Sections 7(i), 9, 10 and 13 hereof shall remain in full force and effect notwithstanding such termination.

(c) The Sales Agent shall have the right, by giving 10 days' prior notice as hereinafter specified to terminate this Agreement in its sole discretion at any time after the date of this Agreement. Any such termination shall be without liability of any party to any other party except that the provisions of Sections 7(i), 9, 10 and 13 hereof shall remain in full force and effect notwithstanding such termination.

(d) This Agreement shall remain in full force and effect unless terminated pursuant to Sections 11(a), (b), or (c) above or otherwise by mutual agreement of the parties; *provided, however*, that any such termination by mutual agreement shall in all cases be deemed to provide that Sections 7(i), 9, 10 and 13 hereof shall remain in full force and effect.

(e) Any termination of this Agreement shall be effective on the date specified in such notice of termination; *provided, however*, that such termination shall not be effective until the close of business on the date of receipt of such notice by the Sales Agent or the Company, as the case may be. If such termination shall occur prior to the Settlement Date for any sale of Placement Shares, such Placement Shares shall settle in accordance with the provisions of this Agreement.

12. No Fiduciary Relationship.

Notwithstanding any preexisting relationship, advisory or otherwise, between the parties or any oral representations or assurances previously or subsequently made by the Sales Agent, the Company acknowledges and agrees that (a) the offering and sale of the Placement Shares pursuant to this Agreement is an arm's-length commercial transaction between the Company and the Sales Agent, (b) the Sales Agent is acting solely as agent in connection with the public offering of the Placement Shares and in connection with each transaction contemplated by this Agreement and the process leading to such transactions, and the Sales Agent has not assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether the Sales Agent has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement, (c) the Sales Agent and its affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and the Sales Agent has no obligation to disclose or account to the Company for any of such differing interests, and (d) the Company has consulted its own legal, tax, accounting and financial advisors to the extent it deemed appropriate, is capable of evaluating and understanding, and understands and accepts, the terms, risks and conditions of the transactions contemplated by this Agreement and has not relied upon the Sales Agent or legal counsel for the Sales Agent for any legal, tax, accounting and financial advice in connection with the offering and sale of the Placement Shares. The Company hereby waives any claim, and agrees that it will not claim, that the Sales Agent or its affiliates have rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to the Company, in connection with the sale of Placement Shares under this Agreement or the process leading thereto. The Company agrees that the Sales Agent and its affiliates shall not have any liability (whether direct or indirect, in contract, tort or otherwise) to it in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on its behalf or in right of it or the Company, employees or creditors of Company.

13. Miscellaneous.

Each such notice or other communication shall be deemed given (i) when delivered personally or by verifiable electronic transmission (with an original to follow) on or before 4:30 p.m., New York City time, on a Business Day or, if such day is not a Business Day, on the next succeeding Business Day, (ii) on the next Business Day after timely delivery to a nationally-recognized overnight courier, (iii) on the Business Day actually received if deposited in the U.S. mail (certified or registered mail, return receipt requested, postage prepaid) and (iv) by Electronic Notice as set forth in the following paragraph. For purposes of this Agreement, "Business Day" shall mean any day on which the Exchange and commercial banks in New York City are open for business.

An electronic communication ("Electronic Notice") shall be deemed written notice for purposes of this Section 13(a) if sent to the electronic mail address specified by the receiving party in this Section 13(a). Electronic Notice shall be deemed received at the time the party sending Electronic Notice receives actual acknowledgment of receipt from the person to whom notice is sent, other than automatic reply. Any party receiving Electronic Notice may request and shall be entitled to receive the notice on paper, in a nonelectronic form ("Nonelectronic Notice"), which shall be sent to the requesting party within 10 days of receipt of the written request for Nonelectronic Notice.

(b) This Agreement has been and is made solely for the benefit of the Sales Agent, the Company, and the persons referred to in Section 9, and their respective successors and permitted assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. The term "successors and assigns" as used in this Agreement shall not include a purchaser, as such purchaser, of Placement Shares. Neither party may assign its rights or obligations under this Agreement without the prior written consent of the other party; *provided, however*, that the Sales Agent may assign its rights and obligations hereunder to an affiliate thereof without obtaining the Company's consent.

(c) The parties acknowledge and agree that all share-related numbers contained in this Agreement shall be adjusted to take into account any stock split, stock dividend or similar event effected with respect to the Common Stock.

(d) This Agreement (including all schedules and exhibits attached hereto and Placement Notices issued pursuant hereto) constitutes the entire agreement and supersedes all other prior and contemporaneous agreements and undertakings, both written and oral, among the parties hereto with regard to the subject matter hereof. Neither this Agreement nor any term hereof may be amended except pursuant to a written instrument executed by the Company and the Sales Agent.

(e) This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State and without regard to principles of conflicts of laws. Unless stated otherwise, specified times of day refer to New York City time.

(f) No implied waiver by a party shall arise in the absence of a waiver in writing signed by such party. No failure or delay in exercising any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any right, power, or privilege hereunder.

(g) This Agreement may be signed in two or more counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed Agreement by one party to the other may be made by facsimile or electronic transmission (including any electronic signature covered by the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act, the Electronic Signatures and Records Act or other applicable law, e.g., www.docusign.com) and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

(h) In the event that any one or more of the provisions contained herein, or the application thereof in any circumstance, is held invalid, illegal or unenforceable as written by a court of competent jurisdiction, then such provision shall be given full force and effect to the fullest possible extent that it is valid, legal and enforceable, and the remainder of the terms and provisions herein shall be construed as if such invalid, illegal or unenforceable term or provision was not contained herein, but only to the extent that giving effect to such provision and the remainder of the terms and provisions hereof shall be in accordance with the intent of the parties as reflected in this Agreement.

(i) EACH OF THE COMPANY AND THE SALES AGENT HEREBY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY CLAIM BASED UPON, RELATING TO OR ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(j) Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in New York City, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection with any of the transactions contemplated hereby, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum, or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy (certified or registered mail, return receipt requested) to such party at the address in effect for notices under Section 13(a) of this Agreement and agrees that such service shall constitute good and sufficient notice of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law.

(k) For purposes of this Agreement:

(i) The section, exhibit and schedule headings herein are for convenience only and shall not affect the construction hereof.

(ii) Words defined in the singular shall have a comparable meaning when used in the plural, and vice versa.

(iii) The words “hereof,” “hereto,” “herein” and “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

**SUNATION ENERGY ANNOUNCES 2025 SECOND QUARTER RESULTS AND
REITERATES FULL YEAR FINANCIAL GUIDANCE**

FY 2025 Total Sales Expected to Rise 14% - 23% from FY 2024 with Positive Adjusted EBITDA

Q2 2025 Select Highlights

- Gross Margin Expanded to 37%
- Total Debt Declined by \$11.7 Million, a 61% Improvement from December 31, 2024
- Residential Backlog at June 30, 2025 Increased to \$27.1 Million from December 31, 2024 and Rose to \$35.6 Million at July 31, 2025

RONKONKOMA, NY – August 18, 2025 – SUNation Energy, Inc. (Nasdaq: SUNE) (the “Company”), a leading provider of sustainable solar energy and backup power to households, businesses, municipalities, and for servicing existing systems, today announced financial results for the second quarter ended June 30, 2025 (“Q2 2025”) and reiterated full year financial guidance for total sales and Adjusted EBITDA.

“In 2024, Jim Brennan and I assumed the leadership of SUNation. With the support of an amazing team, we created and implemented a series of initiatives that have strengthened our operations, reduced costs, eliminated significant debt, and enhanced efficiencies,” said Scott Maskin, Chief Executive Officer. “The passage of the One Big Beautiful Bill Act (“OBBA”) in July represented a major policy reversal for our industry; however, our success in improving our operations has prepared us to adjust to and, we believe, prosper in, this new environment. While uncertainty remains, we believe that the long-term outlook for solar is strong given its compelling value proposition, environmental benefits, and support of energy independence. SUNation is well positioned to capitalize on the opportunities that lie ahead and we are committed to delivering a best-in-class customer experience.”

Mr. Maskin continued, “Demand for residential solar in our primary markets of New York and Hawaii has increased considerably since the passage of the OBBA. Consumers in these regions – which happen to be two of the most expensive electricity markets in the country – are being driven by a heightened sense of urgency to install new systems before the December 31, 2025 deadline to be eligible for the Section 25D tax credit. This has resulted in a significant increase in new residential business that we expect will be completed by the end of the year. Our Commercial business is also picking up with project backlog extending in 2026. We are diversifying our business model to create new revenue streams, continuing to pursue select acquisitions and partnership agreements, and pivoting towards leasing and third party owned systems in New York and Hawaii, where solar demand is expected to persist due to utility structure and high electricity costs.”

James Brennan, SUNation’s Chief Financial Officer, said, “The benefits from our restructuring and debt reduction initiatives had a pronounced positive effect on second quarter financial results. We increased gross margin, reduced SG&A expenses, and improved our Adjusted EBITDA loss. We also further improved our financial position; cash at quarter end rose nearly four-fold from December 31, 2024 and we reduced our debt by \$11.7 million from December 31, 2024. These improvements in combination with a robust project backlog are expected to drive strong second half performance and give us great confidence in our ability to meet our full year financial guidance.”

Q2 2025 Financial Results Overview

Comparisons are to the second quarter ended June 30, 2024 (“Q2 2024”) unless otherwise noted

- Total sales were \$13.1 million compared to \$13.5 million, driven by higher sales at SUNation NY, partially offset by sales declines at Hawaii Energy Connection (“HEC”) and service revenue.
- Consolidated gross profit improved to \$4.8 million, or 37.0% of sales, from gross profit of \$4.8 million, or 35.4% of sales, driven by higher gross profit at SUNation NY partially offset by a smaller decline in gross profit at HEC.
- SG&A expenses improved to \$6.4 million from \$6.6 million, the result of cost optimization and efficiency measures implemented in 2024 and 2025.
- Net loss was \$(9.6) million compared to \$(6.9) million. However, net loss in Q2 2025 included a \$(7.5) million non-cash charge related to fair value remeasurement of warrant liability compared to \$(3.3) million in Q2 2024 and \$(0.6) million in financing fees.
- Adjusted EBITDA loss improved to \$(1.0) million from \$(1.7) million.
- Residential backlog improved to \$27.1 million at June 30, 2025 from \$26.9 million at December 31, 2024; at July 31, 2025, residential backlog further increased to \$35.6 million.
- Commercial backlog was \$0.9 million at June 30, 2025 and \$4.2 million at July 31, 2025.

Financial Condition at June 30, 2025

- Cash and cash equivalents improved to \$3.2 million from \$0.8 million at December 31, 2024. Restricted cash and equivalents was stable at \$0.3 million.
- Total debt, which includes earnout consideration of \$0.5 million, improved 61% to \$7.5 million from \$19.1 million at December 31, 2024.
- Accounts payable improved to \$6.4 million from \$8.0 million at December 31, 2024.
- Inventories improved to \$2.3 million from \$2.7 million at December 31, 2024.
- Current liabilities improved to \$12.8 million from \$27.2 million at December 31, 2024
- Stockholders’ equity improved to \$22.1 million from \$8.5 million at December 31, 2024.

As previously announced, during Q2 2025 the Company terminated all of the outstanding Series A Common Stock Purchase Warrants (“Series A Warrants”) issued in connection with a previously announced Registered Direct Offering. The transaction eliminated the potential dilution created by the Series A Warrants by ensuring that up to 652,174 shares of stock underlying those warrants will no longer be able to enter the market.

Mr. Brennan commented, “The termination of these warrants allowed us to deploy our cash in a way that delivered meaning value to our shareholders by removing a significant source of potential dilution and simplifying our capital structure.”

REITERATES 2025 FINANCIAL GUIDANCE

Based on current business conditions and estimated outlook, the Company is reiterating its previously issued financial guidance for the full year ending December 31, 2025:

- Total sales are expected to rise to \$65 million to \$70 million, a projected increase of between 14% and 23% from total sales of \$56.9 million in 2024.
- Adjusted EBITDA is expected to improve to \$0.5 million to \$0.7 million from an Adjusted EBITDA loss in 2024.

Guidance for full year 2025 is based on the Company’s current views, beliefs, estimates and assumptions. It does not include any potential impact related to, among numerous other potential events that are largely out of our control, such as current or future tariffs, global disruptions, broader industry dynamics, and legislative policy changes, which the Company is unable to predict at this time. All financial expectations are forward-looking, and actual results may differ materially from such expectations, as further discussed below under the heading “Forward-Looking Statements.”

We are not able to provide a reconciliation of Adjusted EBITDA guidance for full year 2025 to net profit (loss), the most directly comparable GAAP financial measure, because certain items that are excluded from Adjusted EBITDA but included in net profit (loss) cannot be predicted on a forward-looking basis without unreasonable effort or are not within our control.

Non-GAAP Financial Measures

This press release also includes non-GAAP financial measures that differ from financial measures calculated in accordance with United States generally accepted accounting principles (“GAAP”). Adjusted EBITDA is a non-GAAP financial measure provided in this release, and is net (loss) income calculated in accordance with GAAP, adjusted for interest, income taxes, depreciation, amortization, stock compensation, gain on sale of assets, financing fees, loss on debt remeasurement, and non-cash fair value remeasurement adjustments as detailed in the reconciliations presented below in this press release.

These non-GAAP financial measures are presented because the Company believes they are useful indicators of its operating performance. Management uses these measures principally as measures of the Company’s operating performance and for planning purposes, including the preparation of the Company’s annual operating plan and financial projections. The Company believes these measures are useful to investors as supplemental information and because they are frequently used by analysts, investors, and other interested parties to evaluate companies in its industry. The Company also believes these non-GAAP financial measures are useful to its management and investors as a measure of comparative operating performance from period to period.

The non-GAAP financial measures presented in this release should not be considered as an alternative to, or superior to, their respective GAAP financial measures, as measures of financial performance or cash flows from operations as a measure of liquidity, or any other performance measure derived in accordance with GAAP, and they should not be construed to imply that the Company’s future results will be unaffected by unusual or non-recurring items. In addition, these measures do not reflect certain cash requirements such as tax payments, debt service requirements, capital expenditures and certain other cash costs that may recur in the future. Adjusted EBITDA contains certain other limitations, including the failure to reflect our cash expenditures, cash requirements for working capital needs and cash costs to replace assets being depreciated and amortized. In evaluating non-GAAP financial measures, you should be aware that in the future the Company may incur expenses that are the same as or similar to some of the adjustments in this presentation. The Company’s presentation of non-GAAP financial measures should not be construed to imply that its future results will be unaffected by any such adjustments. Management compensates for these limitations by primarily relying on the Company’s GAAP results in addition to using non-GAAP financial measures on a supplemental basis. The Company’s definition of these non-GAAP financial measures is not necessarily comparable to other similarly titled captions of other companies due to different methods of calculation.
